

Curriculum Vitae
Eric Spencer Nussbaum, MD, FAANS

Education & Training

Undergraduate

Johns Hopkins University

Baltimore, Maryland

BA, Mathematics, 1987

Medical School

University of Maryland School of Medicine

Baltimore, Maryland

MD, 1991

Post-Graduate

University of Minnesota Hospital and Clinic

Minneapolis, Minnesota

Department of Surgery - Intern, 1991-1992

Department of Neurosurgery - Resident, 1992-1997

University of Western Ontario

London, Ontario, Canada

Department of Neurosurgery - Clinical fellow, Cerebrovascular surgery

January - June, 1996

Licensure & Certification

Diplomate, National Board of Medical Examiners, 1992

State of Minnesota Medical license, 1997-present

Diplomate, American Board of Neurological Surgery, 1999

Employment/ Positions Held

Chair, National Brain Aneurysm & Tumor Center
Twin Cities, MN, 2013-present

CEO, Minnesota Neurovascular & Skull Base Surgery, PA
2001-present

Associate Editor-in-Chief, Surgical Neurology International
2018-present

Oral Board Examiner, American Board of Neurosurgery, 2021-present

Ad Hoc Reviewer. Neurosurgery, Stroke, Surgical Neurology International,
Cerebellum, World Neurosurgery, multiple other journals, 2000-present

Director of Cranial Neurosurgery, United Hospital
St. Paul, MN, 2013-2021

Coordinating Editor, Practical Reviews in Neurosurgery.
Oakstone Publishing. 2004-2017

Chair, Healtheast Neurovascular Institute,
Affiliate, Barrow Neurological Institute.
St. Joseph's Hospital, St. Paul, Minnesota
2002-2013.

Clinical Associate Professor, Department of Otolaryngology
Fairview University Medical Center. Minneapolis, Minnesota.
2002-2018

Clinical Associate Professor, Department of Neurosurgery
Fairview University Medical Center. Minneapolis, Minnesota.
2002-2007

Assistant Professor, Departments of Neurosurgery and Otolaryngology,
Director, Neurovascular & Cranial Base Surgery
University of Minnesota Hospital and Clinic. Minneapolis, Minnesota.
1997-2002.

Patents

1. **Nussbaum ES**: Cerebral Ventricular Drainage Catheter with Guard. US Patent Number 5352207
2. **Nussbaum ES**: Surgical Compression clip and surgical method for treating an aneurysm. US Patent Number 8945159
3. **Nussbaum ES**, Nussbaum LA: Post stroke stimulation device and treatment method. US Patent Number 9668931

Additional Experience

Integrative Neuroscience Consultants, founding partner, 2021. Consulting firm for neuroscience center-of-excellence development, medicolegal guidance, product development within the neurosciences

NeuroGlove, founding partner, 2021. Biomedical start-up company focused on non-invasive treatment option for stroke and other neurological disorders
