Disclosure of Ownership in Outside Facilities

Your health care provider is referring you to a facility or service in which your health care provider has a financial or economic interest. The MSBI physician listed below has an ownership interest in this outside clinic. You are free to choose a different clinic. If you would like to do so, please notify your physician and we will be happy to accommodate your request.

This disclosure applies to the following MSBI Physicians for HyperCharge Clinic: Stefano M. Sinicropi, M.D.

Disclosure of Industry Relationships

If you are scheduled to receive a neurosurgical or orthopedic implant, biologic product or device during your surgical procedure, it is possible that your spine surgeon may have a financial relationship with the manufacturer. Your surgeon will be glad to discuss the reasons for his/her choice of implant/product. You have the right to choose another facility or provider for your procedure. Glenn R. Buttermann, M.D., M.S., holds multiple patents. His industry consulting relationships include FG Solco. He also owns shares in Nexxt Spine LLC.

Insurance Coverage for Other Facilities

Some facilities may be out of network for certain health plans. Please contact the facility as well as your insurance plan for details regarding your coverage.
